

**professional contracts
for professional people
end casualisation**

**Do you hope to work as an hourly paid
teaching associate here?**

**Are you already working as an hourly paid
teacher?**

Your UCU branch is campaigning for better conditions for hourly paid staff at the University as part of a broader *Fair Slice of the Cake* campaign on casualisation and the living wage.

To do that, we need your experiences and perspectives on what the issues are for you and how we might work with you to address them.

**We invite you to our meeting, where you can also find out
what rights you already have!**

Non-members of UCU are very welcome.

12.30—2 Thursday 24th November 2016

B63, Law and Social Sciences

**If you can't attend but would like to be involved,
contact ucu@nottingham.ac.uk**

We will bring
cake and
coffee!
